Response to Amendment

The amendment filed on 09/28/04 is sufficient to overcome the prior art reference.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The claims 1 and 8 are allowable because the prior art of record fails to disclose or suggest or teach the recited first adjust valve mounted to the first path between the condenser and a drying device; and a second adjust valve mounted to the first path between the inflate valve and the evaporator, the first adjust valve and the second adjust valve being adjusted to make the pressure values from high-pressure gauge and low pressure gauge correspond to the recorded pressure values to find a block in the first path (see claim 1); first path, an air conditioner compressor, a condenser, an inflate valve and an evaporator sequentially mounted to the first path, the first path being divided into a plurality of high-pressure sections and several low pressure sections (see claim 8).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mohammad Ali whose telephone number is 703-308-5032. The examiner can normally be reached on Monday to Friday.
